DRIVING FUN IS GUARANTEED WITH THESE MODELS

If you want to rent a scooter in Novo Sancti Petri, you've come to the right place. With the modern Vespas with fully automatic, 125cc displacement, they are powerful enough to ride comfortably with two adults around Novo Sancti Petri. The difficult parking situation in the cities in summer is a very big disadvantage: beaches with expensive private parking lots, paid parking lots everywhere in the city, etc. You can forget all that when you ride our Vespa. Stay flexible and enjoy your vacation without the stress of looking for a parking space!
